Teaching and Learning

Pastor Christopher P. Vossler

“These words that I command you today shall be on your heart. You shall teach them diligently to your children, and shall talk of them when you sit in your house, and when you walk by the way, and when you lie down, and when you rise. You shall bind them as a sign on your hand, and they shall be as frontlets between your eyes. You shall write them on the doorposts of your house and on your gates.” (Deuteronomy 6:6-9)

This month in worship, we will have two very exciting Sundays, both of which connect with the theme of training in the faith. First, on September 10 we will celebrate Rally Day, when we kick off our Sunday School year – as well as begin the new Youth Sunday Bible Study, Confirmation, and the new Lifelight class for the fall. What a blessing it is to have these opportunities available for young and old to learn more about their faith! What a privilege it is for those who are given the responsibility of teaching! Second, on September 24 we will have a guest preacher, Rev. Dr. Theodore Hopkins from Concordia University Ann Arbor, who will bring us a message about the university and about the opportunities available for students there, especially those preparing to enter churchwork vocations. What a blessing we have, to have a Concordia University in our District!

These two events help to highlight just how important Christian education is, the training of not just children but teens and adults to know God, to understand their faith and its role in their lives. As with anything, training,

study, and experience are valuable and important parts of our Christian life. One cannot know who God is without being taught. One cannot know the blessings that come to us from Him without learning about them and receiving them. That is one of the goals of our congregation: teach those entrusted to our care – especially the youngest – who Jesus is and what He has done for them. This happens in Sunday School when our teachers begin to go through the Bible with the children and explain God’s actions. It continues in Confirmation class as our confirmands learn the chief parts of our faith from Luther’s Small Catechism. In our various youth activities and Bible studies, teens grow in their faith and work to apply what they believe to their daily lives. As adults, we never stop learning; we need to continue reading and studying the Bible – there’s always more to learn! And every step of the way, the Church seeks to help and encourage and teach.

However, this teaching and learning doesn’t *only* happen in and through the activities of the congregation. It starts at home, as parents model God’s love and forgiveness to your children. As you read the Bible together and pray together. As you bring God’s Word to bear on your children’s daily lives. It is there that the teaching and learning begins.

St. Paul Stephen Ministry Corner

“Bear one another’s burdens, and in this way you will fulfill the law of Christ”
(Galatians 6:2, NRSV)

Stephen Ministries is in training. Please check with Michelle for information. Michelle DeCoe has completed the training for the leadership role for Stephen Ministry. There needs to be at least two people in the leadership role. Marilyn Bowen has graciously accepted the position for the second leader. She began training for position in July. After completion of the leadership program, Michelle and Marilyn will be offering classes for other members of the congregation to become

knowledgeable and supported components of the team. The classes will be teaching members how to support others through difficult times. This includes everything from death, divorce, medical crisis, moving, life changes and so much more. The struggles of life are ever changing as we evolve through life. We in Stephen Ministry would like to promote a supportive church environment that nurtures our members in need. You are the CHURCH; and we would appreciate support and involvement by the congregation. We never know what is in store for us as we navigate through this world. We are hoping to develop preparedness in our church for the call. Will you love your neighbors as yourself? Will you be the Good Samaritan that stopped to help another in time of need? This ministry is centered around God being the main healer. The caregiver is a vessel for healing to begin. We are not looking for people to fix others. We are looking for people to be open to hearing each other in a supportive way. There are skills that need to be learned so you are prepared and not overwhelmed. Once you have completed the courses, you may be paired with someone in the congregation that needs emotional support, while going through a rough time. This would take approximately one hour a week, until they are feeling more secure regarding their matter in question. Confidentiality is one of the main foundations of this work and is stressed throughout Stephen Ministry. If you are interested in becoming a part of this ministry, please contact Michelle DeCoe 989-513-1736. I am taking down names of interested parties. I would like to know what would work for class times in the future; evening, day, weekend or retreat style....also, be sure to visit stephenministries.org to learn more.

“When God tells us He knew us before we were born in our mother’s womb, we can hardly say life doesn’t begin at fertilization. When God tells our days are numbered and He will decide when our life is over, we can hardly ask for our life to be taken prematurely rather than dying a natural death. As you ponder God’s Word and stand up For Life, your witness will have remarkable power and you, only you, will be impactful in your response. So, even if you are going it alone, you can and should contribute to the message For Life, and God will bless your efforts.”

Prayers and Hymns for all Families

We put together a list of prayers to be used for families. God Himself chose these human relationships to describe the depth of His love for His people. Even God’s great plan of salvation is expressed not in individual terms but according to the ancient promise to Abraham: “in you all the *families* of the earth shall be blessed” (Genesis 12:3, emphasis added). Whether families are big or small, rejoicing or mourning, our Father embraces the cares of His children.

Prayers for all Families

For our families, that the God of tenderness and Lord of all compassion draw us ever closer to Him and to one another as His family, the Church, and send us forth to live lives of love and charity to all the world, let us pray to the Lord.

Lord, have mercy.

For those who grieve the loss of children and for those who have been unable to have children, that they be comforted in their sorrow and longing and that they find support and love in the family of God, let us pray to the Lord.

Lord, have mercy.

For our families, that our heavenly Father endow all of us with a fuller appreciation of the gift of the families in which He has placed us and that He guide us day by day that we may truly be a family of faith where love is demonstrated at all times, let us pray to the Lord.
Lord, have mercy.

HARVEST DINNER

St. Paul Lutheran Church
2045 Lynn Street - Sanford

Friday, October 6, 2023
4:00 - 7:00pm

Welcome to St. Paul Lutheran Sunday School!

Hi, I'm Gerianne Barnard and I will be the Sunday School Superintendent starting this fall.

We're kicking off the '23-'24 school year on September 10th with our Rally Day Celebration. We will be having fun activities for the kids in class followed by a hot dog lunch.

This fall we are going to try something new: memorizing Bible verses. This isn't just busy work. Memorization is a great skill that can help children in other aspects of their lives, like at school. However, memorizing Scriptures in particular helps make it more readily accessible to us. Did you know that Jesus also memorized Scripture?

We are going to continue taking attendance, with children being rewarded for their attendance every 12 weeks. Like this past year, this attendance does not need to be consecutive.

Besides Sunday School we will also be having several youth events this fall, such as the trip to Frankenmuth Aerial Park on September 17th and Movie Night Bible Studies, on the second Saturday of every month.

I would love to get more input from parents about Sunday School and the youth activities we have here at St. Paul. Every fourth Thursday of the month, we will have a Youth Ministry Board meeting at 6pm. Parents are always welcome.

I want to collect contact information for all the students attending Sunday School. While one of the main purposes of this is for emergencies, I will also use it to inform you of future youth events at St. Paul and keep you updated on what we are studying in Sunday School. Please fill out the form available here:

Aid for Maui Victims via OGT

The Maui wildfires have taken more than 110 lives with many more missing as this is the largest fire in more than a century in the U.S. Orphan Grain Train is working swiftly to get our first air-cargo container of requested food, water, wheelchairs and other items to Maui early next week. Rev. Ralph Schmidt, OGT's Director of Donor Advising and Chris Singer; Lutheran Church Charities, is in Maui working with Emmanuel Lutheran Church in Kahului, Maui and will help distribute OGT's relief aid to those in need. The church was not harmed by the fires but several members lost their homes and some are possibly missing.

We ask first for your prayers for the many families still looking for loved ones, for first responders fighting this wildfire and those searching through debris. We also ask that if you are able to give toward this need to help with expenses of purchasing \$40,000.00 worth of food and aid along with air-cargo costs to Maui, would very-much be appreciated. A second shipment is already being planned. This disaster will be costly and we plan to be there for the long-term, as OGT is with most disasters. Thank you for your continued support of this ministry. To donate online, scan the QR code with your smartphone's camera and follow the link to the website. If you prefer to mail in a check, please earmark it "Maui" and send to:

LWML District Board Meeting –
September 23rd

LWML Rally Day-October 21st at Zion
in Mt. Pleasant

To our families with small children: Relax! You and your children are welcome to our worship service! Being in worship with you to observe and participate in the service will help them to learn how to behave in church – and they

will learn that best by watching you worship on a regular basis! Sit anywhere in the sanctuary that you wish. The last two rows of pews are set aside for families with small children, but you don't *have* to sit there. In fact, sitting close to the front so your children can see what's happening may help them to feel more involved in the service. If they need something to keep their hands occupied, please ask one of the ushers for a copy of the children's bulletins for them to color. If for any reason you need to take your children out of the sanctuary so they can calm down, feel free to bring them into the bathroom at the back of the church. In addition, at the bottom of the stairs we have a cry room to the right, as well as the fellowship hall to the left. With the speakers in the basement, you will be able to hear the service while your child calms down. If your children don't want to sit still or be quiet through the whole service, there is absolutely nothing wrong with them: they are young and learning. The sound of children in worship is the sound of the Church's future.

Please be on the lookout for “phishing” emails and Texts that look like they were sent from Pastor. If you get an email or text asking for something from Pastor, read the from line at the top to see that it was sent from “stpaulrev”, or the Pastor’s phone #, or ask Pastor. The bad guys are searching trying to scam people.

If you are interested in private Communion

...for whatever the reason. Pastor Vossler and Deacon Barnard are willing to share the Body and Blood of our Lord and Savior in a private setting. Please contact at their listing for Pastoral care.

Dear friends;

Thank you for your kindness towards us over the past few weeks. Thank you to Pastor Vossler and those who organized the celebration recognizing my retirement and 40th anniversary of my ordination. Thank you also for honoring us with a generous gift on the occasion of our 40th wedding anniversary.

Those in attendance on such a busy Sunday made it a very memorable day for us. And thank you for all of your prayers that have sustained us over the last four years. Medically my condition has been considered stable over the last 18 months.

The scripture says that "The prayer of a righteous man availeth much." God does answer prayer. We consider ourselves blessed to have been able to enjoy these events with all of you.

*Sincerely,
Sam & Ann Reith*
